

**7.04 HEAVY TRAFFIC ROUTES.** (1) ROUTES DESIGNATED. The following streets and parts of streets within the Village are hereby designated heavy traffic routes:

(a) All County trunk highways.

(b) The first 1/4 mile section of South Biron Drive, from its intersection with C.T.H. "U".

(2) TRAVEL PROHIBITED. No vehicle, except a motor bus, which is not equipped with pneumatic tires or has a combined vehicle load weight exceeding 6 tons on one axle or 10 tons tandem axle shall be operated or moved on any street or alley not a part of the heavy traffic route designated in sub. (1) above except for the purpose of obtaining orders for, moving or delivering supplies or commodities to or from a place of business or residence facing thereon, provided that in no event shall the weight of the vehicle and load on such other street exceed the limitations of §§348.15 and 348.16(3), Wis. Stats.

(3) SIGNS. The Director of Public Works shall cause to be secured and erected appropriate signs to give notice of the heavy traffic routes.

(4) CONSTRUCTION EQUIPMENT. The Director of Public Works may grant temporary permits to allow heavy construction equipment to use Village streets or highways not designated as heavy traffic routes. These permits may be granted only when use of a nondesignated route is necessary for the equipment to reach a construction site. No permit may be issued unless the person or corporation owning the equipment agrees to reimburse and hold the Village harmless for any damage done to the Village street by the equipment and/or any personal injury or property damage caused in part or in whole by the street damage.

(5) LIABILITY. Any operator whose heavy traffic vehicle damages any Village street or highway in violation of this section shall be liable and required to pay the Village the cost of repair or replacement of the damaged street or highway.

(6) SPECIAL AND SEASONAL WEIGHT LIMITATIONS. The Public Works Committee shall have the authority to impose special or seasonal weight limits on any highway, bridge or culvert maintained by the Village to prevent injury to the roadway or for the safety of the users of such bridge or culvert and shall be responsible for erecting uniform traffic control devices giving notice thereof.
