

During a recent routine audit, our auditors discovered an error which resulted in tax statements being sent with the wrong tax rate/amount due. State of Wisconsin Statutes requires Biron to correct the error and re-send tax statements. All tax statements have been re-printed by Wood County, and your revised tax statement reflecting the correct rate/amount due is enclosed.

If you or your financial institution has already paid your taxes due, please only pay the additional amount due. If you need assistance in determining the additional amount due, please bring your revised tax statement to the Biron Municipal Center during our regular, or tax collection hours, and we will provide that assistance. We regret any inconvenience caused by this error.

Please make checks payable to the Village of Biron. Mailing Address: 451 Kahoun Road, Wisconsin Rapids, WI 54494 Thank you.
