

The Village of Biron has an immediate opening for a full time, Public Works Supervisor. This is a non - union working position that will oversee the Street, Public Recreational and Water Utility departments with a current crew of three, in a municipality of 850 residents. Applicants must have a DNR Water Certification and a CDL. Preferred applicants should also have knowledge in Street/Utility maintenance and construction and have strong leadership and computer skills and will be overseeing budgets. Applicant must be able to attend occasional Board and Committee meetings after normal work hours. The Village has an excellent benefit package including state retirement, health, life, dental insurance, deferred comp and vacation.

It is required that the applicant lives within 30 minutes of the Village. Salary will depend on qualifications and will range from \$45,000 - \$50,000. Applications and job description are available at the Village Municipal Center, 451 Kahoun Road, Wisconsin Rapids, WI 54494 or by e-mail: [vofbiron@wctc.net](mailto:vofbiron@wctc.net) or on the website: [www.bironwisconsin.org](http://www.bironwisconsin.org) . Applications are due by the close of business on Friday, June 6, 2014.
